## JUNIOR FRONT-END DEVELOPER

### ABOUT ME

I am a Junior Front-end developer.  
I have great adaptability, which I have obtained by developing myself in different sectors.  
Each one has given me skills, professional and personal development.  
I am very motivated to start growing in this sector and keep learning.

### SKILLS

- **Communicative Skills:** customer oriented work to solve the clients necessities and their doubts.
- **TeamWork:** coordination with the rest of the coworkers to assure good results.
- **Resolutive:** facing up difficulties at the work area by acting in a calm manner to be able to take the best decisions.
